| Phase 2 | Landscaping of gateway | Funding target reached. Work to begin early Summer 2011. |
| Phase 3 | Paths and stone seat with bronze relief panel. | Fundraising ongoing. |
| Phase 4 | Sculpture set in place on natural boulder stack. | Fundraising ongoing. |

Major donations received so far in 2011

£10,000 private donation towards new entrance gateways and dry stone wall.

£1000 personal donation towards sculpture.

£500 from the DSWA (Dry Stone Wall Association)

£500 from Sconser Community Council.

A private donation of £10,000 has been received which will enable the group to start work on improving the entrance to the site. Visit our website www.skyesculpture.com for details.

Community involvement

Local school pupils will be involved in research and construction. They will learn outdoor skills and will be trained in dry stone dyke and path construction, by qualified instructors.

New features added to the Collie Mackenzie website at www.skyesculpture.com

Photographs of the projected work due to start in early Summer 2011.
